

ICMAP 2018

The 7th International Conference on Microelectronics and Plasma Technology

July 24-28, 2018 / Songdo ConvensiA, Incheon, Korea

Dr. Jason Kenney

Applied Materials, Inc., USA

Jason Kenney is a Director and Distinguished Member of the Technical Staff at Applied Materials, Inc. in Sunnyvale, CA. His primary research interests are in plasma and electromagnetic modeling of semiconductor equipment for etch applications. Prior to joining Applied Materials, he received B.S. degrees in Chemical Engineering and Mathematics from the University of Kentucky, an M.S. degree in Chemical Engineering from the California Institute of Technology, and a Ph.D. in Chemical Engineering from the University of Texas at Austin.
